  - **Soup & Salad** (turkey on wheat bread w/beef barley soup )
  - **Philly French Dip Sandwich**
  - **Classic Press Club Sandwich**

**Meeting Agenda:** Chapter elections

**Program: “Advanced Violence Risk Assessment”.** Yesterday, our Chapter participated in this ASIS Virtual Forum. It was a particularly timely topic given Wednesday’s tragedy at Westroads Mall. Because this topic is so important to the security of our business environment, the key points of this Forum will be presented at our meeting, using the forum’s PowerPoint presentation, to include the risk assessment model that was discussed. It should be extremely relevant and interesting.
