Program: Member David Theim and Omaha InfraGuard President Ron Woemer will host this month's meeting at their TD Ameritrade Headquarters. They will present an overview of TD Ameritrade operations and discuss general security issues confronted by financial corporations. Also, they will discuss the physical and IT security considerations and technologies in consolidating a multi-facility operation (as they will be doing at their Old Mill location over the next couple of years).

Mr. Woemer will also briefly update our membership on the Omaha InfraGuard (IT security organization) chapter. As demonstrated by our previous program from Creighton, we are seeing greater interaction/coordination between physical and IT security. We are looking forward to a very interesting program and thank our hosts, TD Ameritrade.

Business Meeting:

- Update on our chapter's October 15th Law Enforcement Appreciation Luncheon.
- Announce officer election results

Announcements: 2009 Nominations and Elections: Nominations for 2009 Officers closes on Monday, November 3rd. Elections will be held on-line from November 5th – 14th.

If you have an interest in becoming more involved in the leadership of the chapter, either as an officer or as a committee chair, I would encourage you to step forward and volunteer your talents. I would like to see a good blend of experienced and up-and-coming volunteer leaders for our chapter.
